

Need Money for Your Neighborhood Projects?

You're invited to an informal gathering to meet Freshwater Future and learn about their funding opportunities (\$500-\$5,000 grants). Join in the conversation to share what is going on in your neighborhood, what your priorities are and learn if there is any common ground with Freshwater Future's program priorities.

Monday, March 17, 6-8 pm

Sierra Club Offices

2727 2nd Ave., Suite 112, Detroit, MI

Dinner will be provided.
