

Financial Management

Know where the money is coming from and how it is spent so you can do your best work!

Helping people protect the Great Lakes

We help you develop and implement an easy to use tracking system so you know where your funding is coming from and how it is being spent — an essential foundation for fundraising work, ensuring tax liabilities are met, and meeting the financial

Grow Your Organization

Our most comprehensive financial management opportunity for your board and staff that will save time in the long-run by helping you develop effective budgets, tools for tracking and reporting, and skills to understand the information in ways that will help you plan and prosper. We will give your board and key staff or volunteers the knowledge and skills they need to:

- read and understand financial statements,
- develop and track budgets,
- track grant proposals and spending,

Grow a Leader

Designed for one or two leaders such as the executive director or book-keeper, this training will help you improve your effectiveness in tracking the financial well-being of the organization and communicate that information efficiently through one-on-one assistance.

Support a Leader

Are you feeling overwhelmed by the many responsibilities in your job, just one of which is financial reporting and tracking? Give us a call and we'll help you determine what you really want and need from your financial systems and how to achieve that. Members – you get one hour free!

“Working with Freshwater Future has helped our group immensely. We are putting all of our financial and fundraising affairs in order, which will help us focus on the project work of protecting the Salmon Trout and Yellow Dog Rivers from a proposed sulfide mine.” Emily Whittaker, Yellow Dog Watershed Preserve
