ELP's mission is to inspire visionary, action oriented, and diverse leadership to work for a just and sustainable future. If you would like to find out more about our programming, please visit our website at **www.elpnet.org**.

“ELP is more than a professional network, it is a transformational experience that provides the platform and access to other like-minded yet diverse group of individuals. It is also a peer-mentorship program that focuses on both personal and professional development.”

- Jinny Jeong, ELP Senior Fellow
